Thanks Snehal,

If possible we want to combine the CAC meeting with the HGAC meeting so that we do not make a trip for just one meeting. The way it worked out in the past, we would have the CAC meeting in the morning and then the HGAC meeting in the afternoon. That way we only need to make one trip. CAS

Subject: next CAC meeting

I wanted to coordinate with you all on the next CAC meeting. We had not finalized the date for it. I am not available Aug. 17. But the week before or after would work for me. Please let me know and I can send out a save the date. The HGAC Dioxin meeting is Aug. 17.

I also had discussed ideas for the next community engagement meeting tentatively on September 8th and will follow up in an email.

I am also attaching a draft agenda per discussion with Gary to start early. Let me know any changes/comments.

I will be out at a conference from Wed. to Friday.

Also, did you know Texans Together had a meeting last Thursday? I heard about it late that day. It was at Baytown Council Chambers.

Thanks,
